

WVCA Dos and Don'ts

Revision date: 2-3-2008

Do

Read our Constitution and Bylaws

Come to as many meetings and events as possible.

Bring up ideas and discuss items of business at meetings.

Try to attend NWACC events. It is a great way to meet Corvette owners from other parts of the Northwest.

Ask for help if you need it. Corvettes can be complicated and frustrating. One of our members may have the experience and skills to help you.

Wear your club attire.

Attend events that you sign up for. If we think you are coming and you don't show up we may wait and worry needlessly. Give as much notice as possible if you can't make it so a replacement can be found.

**Bring and use your personal communicator on club tours.
WVCA uses channel 6.6 on personal communicators.**

Join WVCA members at Walery's Pizza at 1555 Edgewater St. NW following membership meetings. Dave Walery is a member of WVCA and he gives us a discount on pizza and some drinks.

Do not:

Do not feel that you must attend every meeting or event.

Do not pass other cars on a tour.

If you drive your tin car on a tour, you must drive at the rear of the convoy.
